FOR 1945

The Scarab Staff wishes to thank the Crown Publishers, 419 4th Avenue, New York 16, New York, for permission to use poetry taken from the *Complete Cheerful Cherub*, by Rebecca McCann, published in 1944.

Because he has guided the largest organization of B. T. H. S. to such great prominence in the past year, we proudly dedicate this year-book to our jovial, beloved

Band Director

Mr. Ben Rauch

MR. BEN RAUCH

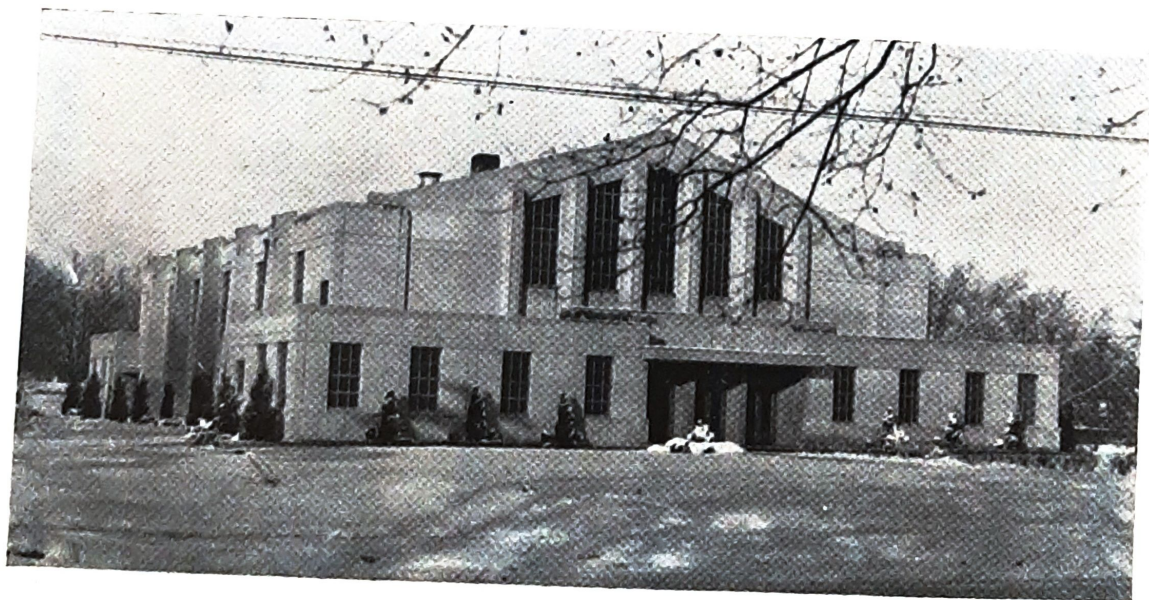

**Benton Public Library Dist.
502 S. Main St
Benton, IL 62812**

Before he finally wore out his famed autographed paddle, Mr. Rauch managed to "whip" up some band routines that "stole the show" of B. T. H. S. in 1945.

Dear Carter,
We ~~some~~ did
have fun in the
Cafeteria second hour.
It's a good thing I didn't
get caught. You ~~some~~ do
have a wonderful personality.
Keep smiling.

MR. B. FLOYD SMITH

Here is "Smitty," our school dad. He knows everything about anything concerning B. T. H. S., and holds the respect of the entire student body. He has led cheers, established our spirit of good sportsmanship, and even raided the Pool Hall. This is the man who runs Benton Township High School.

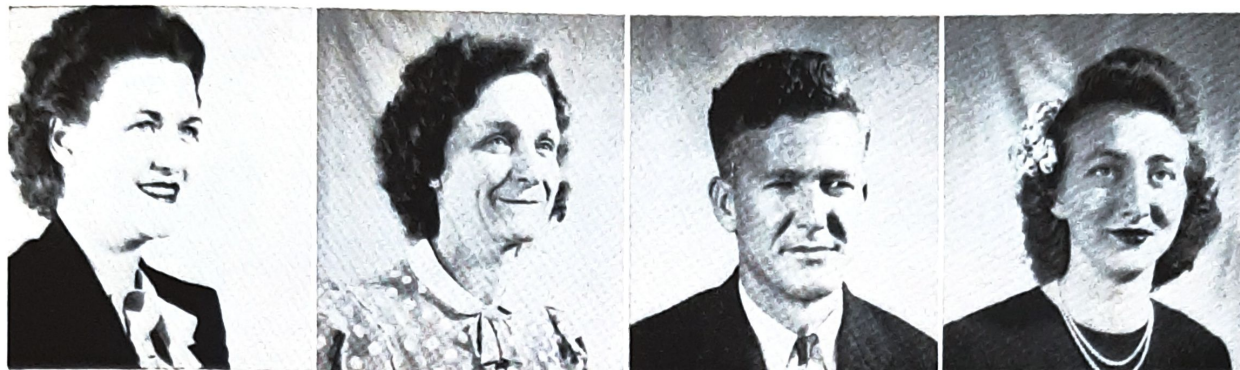

Board of Education

We have our Board of Education to thank for the efficient faculty and substantial financial foundation of B. T. H. S.

This group of Benton's outstanding, leading citizens has been improving B. T. H. S. for many years, and we know that we may look forward to many more improvements for our school from these conscientious men in the years to come.

The five men who make up the Board of Education are: Mr. Curtis Smith, President; Mr. Pete Ruth, Secretary; Mr. Carmen Taylor, Mr. W. Eovaldi, and Dr. J. T. Donosky.

Saturday is filled with glee,
Sunday has a peaceful charm,
But pay day is the day for me.

Time Alone Will Tell

DEAR ROSIE:

Since my cell mate is being fitted for a new jacket (straight) and I have won a bet for three cents (the price of a stamp) by standing on my head for forty-eight hours, I will write you a few short lines about "this" and "that"

The matron, the former Jerry Dean Spani, just told me to get my chassis off the floor, and put my size fourteens on my dainty feet before the line-up for chow starts. They can call it chow if they like, but from the smell of it—well! Of course, considering that the cook is Dallas Bennett, it's no small wonder. The other day at chow one of my dearest, most beloved friends, R. C. McKee, was killed when a piece of bread fell from the table on him.

I just received an announcement of the arrival of the former Sally "Marie" Havens' twenty - fifth girl. She has named her Donnie Jean after her husband, Donald Glassman. Have you heard that Alec Somma is now teaching ballet at John Corn's and Bill Williams has advanced to the position as manager of F. W. Woolworth & Company.

Flossie Carney is now singing at Carnegie Hall. Walter Newcomb has made a new toothless comb. Jean Ellen Armentrout is selling Girl Scout calendars at good old B. T. H. S. She tells me that Ronald Freels is still sleeping in Miss Edmonds' class every third hour.

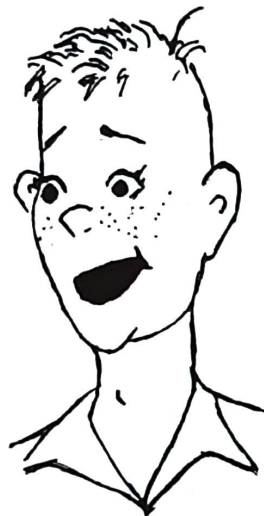

Charles McCann and Bob Huff are running a home for delinquent girls. Norma Sneed is their First Matron. Elmer Cluck and Lewis "Henhouse" Ahlfeld are running the "Our Roost-

ers Crow Best" farm. Thelma Conn is selling ice-cream cones in the Sahara Desert.

Mary Lou Floro is an authoress. Her latest book is "Red River Valley." Josephine Piecentini is playing the trombone in the WPA orchestra. Wanda Ciolkoski and Rosalie Craddock have just won the title of the greatest jitterbugging team in the world. Joe Craddock and Bill McIlvain have discovered gold in Minnesota.

William Thomas has just completed a new line of make-up, which he calls Max - Thomas. Mary Lou Darnell has joined the 113th Bing Crosby fan club. Mary Jane Towers has invented a new off - the - head hair-do. Herbert

Just like a Freshman—in the wrong spot again.

Waggoner is drilling for oil in the middle of the Mississippi. Donna McKemie has just been selected as Varga Girl of 1955. Lucille Donosky and Pat Nangle are teaching shorthand and typing at Gregg's Business College.

Jim Allen has recently finished his newest novel, "Ten Barrooms in A Night." Stoney Jackson owns a sanatorium for T. B. victims. Phyllis Daniels has been assisting him. Bill Wymer is a yodeler in the Hills of Harding County. Katheryn Lampley is now the proprietor of Jackson's Market. Elaine Endling has just completed her sequel to *Rogets' Thesaurus*.

Janet Corgan makes her livelihood by selling Radio Girl Perfume. Annette Blockley is making blocks in a block factory. Jessie Holmes and Dorothy Sweet have opened a "Lone-

Time Alone Will Tell

ly Hearts' Club." Ed Towers has become Mr. Gerry Edwards. They're setting a new precedent. Bill Walker has a new address: Cell No. 17, Ellis Island.

Martha Newhouse has just built what her name indicates. Jack Nolen and Lloyd Doerr are competitors in selling accident insurance. Maxine Denbo is in Hollywood creating a new comic creature, "Denbo". Mary Lee Day has changed the song, "Night and Day," into "Day and Night."

Winona Lampley's giggle has finally led her to fame. She is being starred in the picture "Plasma, Perspiration, and Eye Juice," or "Blood, Sweat, and Tears." Wanda Summers has completed the "five way stretch girdle." I received a hand-bill yesterday with Darrell Miller's picture on it as "The Smile." Mapha Hickey has been named "Pin-Up Girl No. 16780." Margaret Shockley has invented shockless electricity.

Dorothy Garner is teaching dramatics at Buckner College. Betty Lou Hill is still trying to convince Denysia Bastas that she shouldn't feel self-conscious when she sees red-haired boys. James Hill has finally disproved Einstein's theory. He has established a new one called the "Hill Theory."

Katheryn Crisp is selling "Crisp's Crispy Corn Crisps." Tom Shepherd has discovered a new pipe-mix which he calls "Prince Archibald." Alan Crawford is touring Europe with Spike Jones' "City Slickers." Ruby McHugh has become a licensed veterinarian. Joe Swanner has been named the new "Danny Kaye of the air."

Bill Auten is modeling "red-flannels." Maxine Craddock and Elizabeth Dorchinecz have traveled to Africa to teach the natives the finer points of "boogie-woogie." John Dewar is running the elevator in the

Empire State Building—quite a change from the Wood Building.

Martha McBrayer is the head of the I. O. U., which advocates three working hours a day. Ida Nowadowski is selling chewing gum on the north side of the square. Mildred Jones is running W.J.P.F. in Heroin. Bill Smith has completed his bike trip across the British Isles. Frances Frailey has perfected a cure for overstudy.

Dick Hart has been promoted to "Side Admiral." Stella Fay Williams has cornered the market on dandelions. Ben Corn has a plan for drawing up a new Constitution—to keep from learning the amendments to the old one, in Miss Edmonds' class. Gladys Rone has a monopoly on making Roman candles. Kenneth Burkett has made the supreme sacrifice—his bachelorhood! The lucky girl is—you guessed it! Mary Clark.

Marcella Adams has written a book of poetry called "Spring". Kenneth Johnson is the principal of Ewing College. Dona Ackley has found a new thing in ink—fuchsia with polka dot stripes in it! Novel, no? Irvin Davis has perfected new non-run hose that are made from hydrochloric acid. Joe Clark is still swabbing decks in the Navy. I see in the papers where Maxine Cremeens has made her trial-flight in her new airplane—one without wings.

Harry Lee Lewis is running for President on the Communist ticket. Dora Lee Frost has broken all records by swimming the Suez Canal. Robert Mayer is still sergeant in the C. A. P. Virginia Collins has succeeded in making Morocco leather out of cardboard. Elvira Casatta is now "Cover Girl" of *Fashion*.

John Zinzilieta has made a new soundless alarm clock. Pauline Wilcox has invented a synthetic balloon. Velma Hall is going to test it. Gene

Time Alone Will Tell

Threewitt has a theory for bailing out a boat—just drill a hole in the bottom! Donald Willis is still trying to prove that you can start at the top of a house and build down. He thinks the foundation is unimportant. Mary Alice Summers has composed her fifty-ninth symphony. She also conducts an orchestra, and at the present is having trouble with Sylvia Roach, who insists there is a note called B-flat-sharp. You could not prove it by me.

J. V. Hood is selling "Monday-Tuesday - Wednesday - Thursday-Friday - Saturday - Sunday Hair Tonic." He tells me that his first customer was Wilburn Adams. Evelyn Armstrong finally succeeded in reaching the heights of Mt. Everest. Warren Mitchell won't give up! He insists he can construct a square circle. Susie Bailey is assisting him on this enterprise. Howard Bozovich is star-reporter on the "Podunk Gazette."

Kathryn Biggs has perfected a way to grow roses without stems. Kenneth Browning is greasing the Golden Gate of California. Lola Dillon has written a masterpiece—"Why It Rains." Jo Ann Doty has written a sequel to this—"Why It doesn't Rain." Bill Sanders has won a trophy for staying under water forty-five minutes. Bernice Grammar and her sailor are happily married.

Dale and Gale Connor are still working together; they have invented an unsinkable battleship. Kenneth Chambliss has done them one better—he has invented an unsinkable submarine. Ingenious, no?

I just heard that Mary Eva Bigham is the new P.E. teacher at B. T. H. S. I wonder if Helen Popovich ever got out of the basket. Sarilda Clayton and Myra Gibson have invented a glassless mirror. Ruth Halloway is running a poultry farm. She brags that her pigs are the best in the

country. Geraldine Gieselman tells me that she was at B. T. H. S. the other day selling senior rings to the juniors. She said that Mary Frances Hays is still riding the bus—wonder if Mac is still driving?

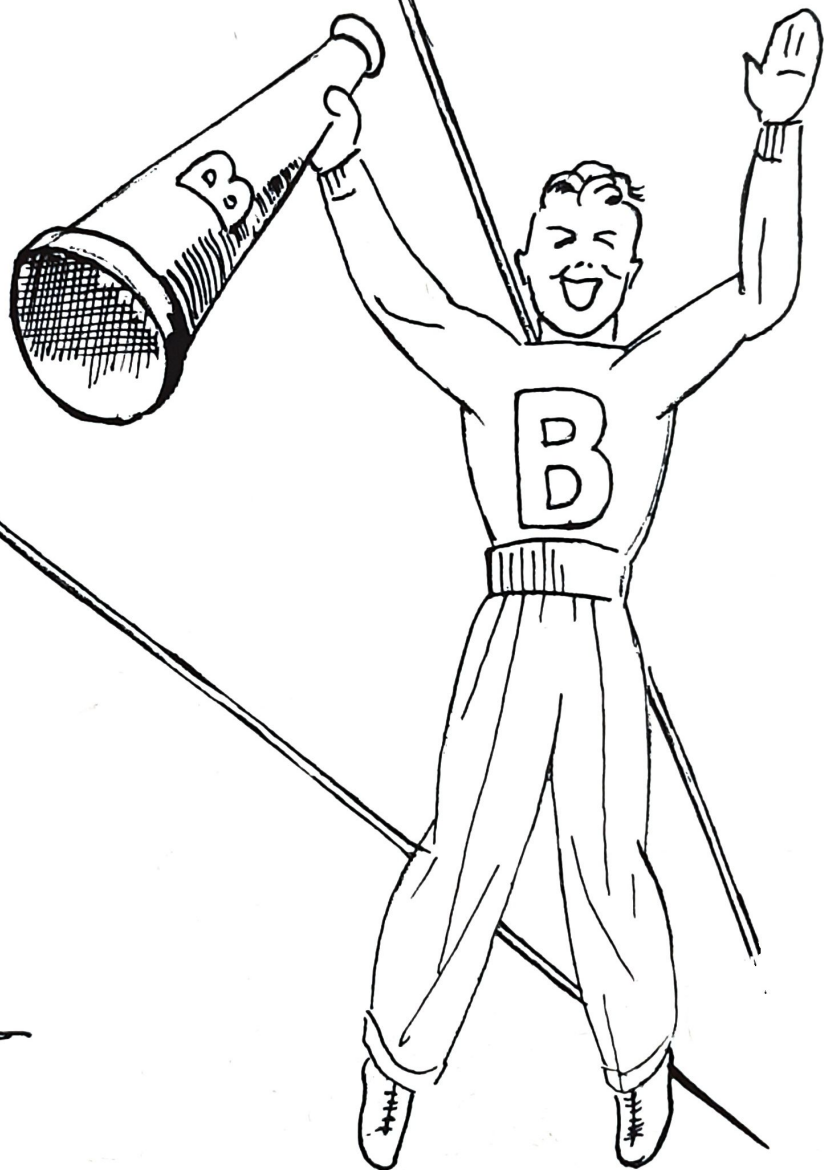

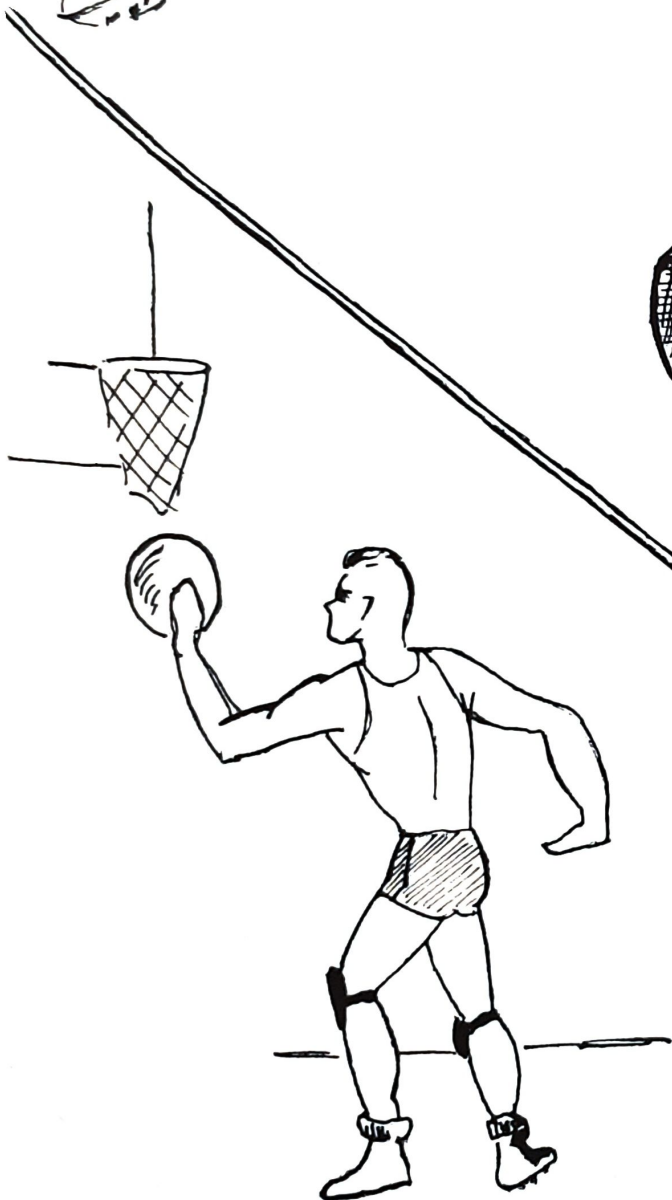

Ruth Ellen Hockman has laid the Pacific Cable. Genevieve Isaacs has sold her peroxide formula to Betty Seagraves. Betty says she likes a little variety. Bruno Mazzei has written a book called "The Finer Points of Child Care." Gladys Mitchell is giving him pointers. Loudean Keaton is the chief bookkeeper at Wides' Oil Company. Violet Perles is running a school for low-grade morons. She is tired of the intelligent type. Frances, Mary E., and Virginia Smith have stepped into the shoes of the Andrews Sisters. Paul Sanders jumped off the Empire State Building, and to his wife's surprise, the former Dorothea Spilman, he died. Betty Tate took his body to her undertaking parlor, "The Sunny Morgue."

Jane Shew has recently written a novel—"If the Shoe Fits, Wear It." Pauline Sims has perfected a pocket-size trombone. She claims it was too big. Betty Keller has been crowned "Queen of Them All." Mary Laird and Mildred Learned are employed making top-less tables. Vivian Kinkade has invented a hat with a compartment for nail files, pencils, and combs.

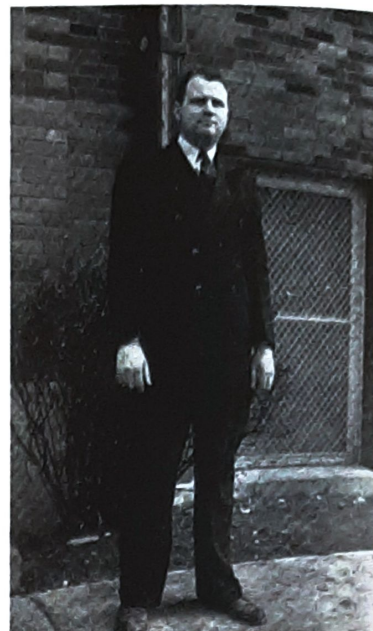

Louise Joplin has a name for her new soap—"Use Me Not." Jean McPhail is a commentator for "Lucky Hit Cigarettes." Her by-line is L. H. M. F. T. June Mundell has decided it isn't worth it. Betty Jane Moore has invited me over to play house with her for the rest of the afternoon. But I don't think I can because I lost my key.

Love and kisses,
And hugs and rugs,

PILL.

Playing their third home game of the season, the Rangers finally crossed the Tabor Field goal line, and came out on the "long" end of a 6-0 score. Warren again scored for the Rollinsmen, this time early in the first period from the 10-yard marker. Both teams put up a strong defense, and the Indians were never able to penetrate past the Benton 30-yard line.

Salem

First of a long series of defeats was handed to the Rangers, 25-0, by the Salem Wildcats on the latter's home field. Jim Finks, Salem fullback who later made the All-State first team, led the Wildcats to victory with two touchdowns and many long yard-gaining runs. The Rangers got to the 5-yard line three times, but failed to score throughout the entire game.

Centralia

On October 27, the Centralia eleven came to the local field and fully avenged a 12-6 defeat handed them by Benton last year, by winning from the Rangers, 12-0. Geilhauer, Orphan quarterback, was the real poison to the Rollinsmen, and scored both of the Centralia touchdowns. Although the visitors threatened to tally several times during the game, the Maroon and White held them to two scores.

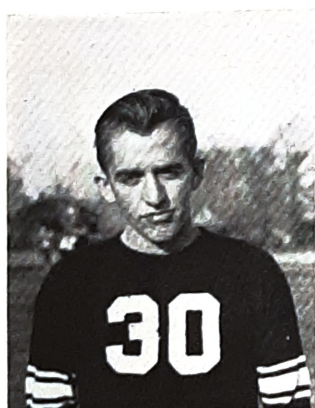

Harrisburg

On Armistice Day the Rangers journeyed to Harrisburg, where they suffered their worst defeat of the season, 33-7. The Bulldogs scored twice on passes from Vaughn to Jones, and three times on running plays. The only Benton touchdown came in the final period on a 30-yard run by Burkett. Warren kicked the point after the touchdown for the Rangers.

Carmi

The Benton Rangers started out their football campaign in the usual manner, with a loss. The game was a very closely matched contest, and except for a few unguarded moments in the first and third quarters, neither team could penetrate very deeply into the other's territory. Hall, Bulldog right half-back, got away in the third period for 37 yards, and the only score of the game, to let the Rangers down, 6-0.

Christopher

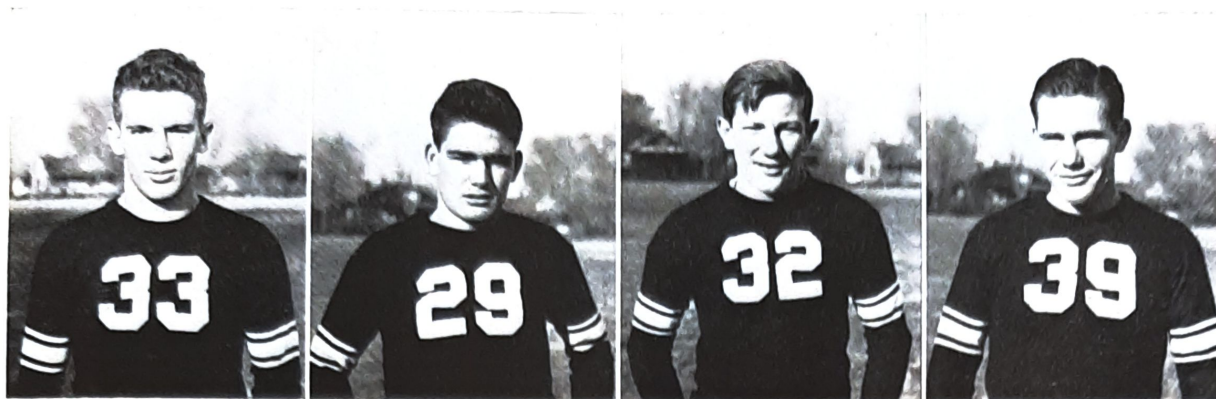

The Rollinsmen journeyed to Christopher September 22 to play their first out-of-town game and gain their first victory of the season. The Bearcats put up a stubborn defense, but were no match for the rolling Rangers. "Red" Warren scored the first touchdown late in the second quarter when he intercepted a Christopher pass and galloped 35 yards to score standing up. H. Jones made it, 12-0, in favor of Benton when he scored after Captain Burkett had brought the ball up to the one-yard line.

DuQuoin

Much to the disappointment of the Ranger fans, the Du Quoin Indians came to Benton October 6 and conquered the local eleven with a close 6-0 victory. This was the second loss for the Rollinsmen, and both have been on the home field by 6-0 margins. The Maroon and White twice powered their way to the Indians' 10-yard line, but failed to score both times. The Du Quoin touchdown came in the third quarter on a 35-yard pass from Boodgain to Martin, Indian quarter-back.

Marion

Launching their South Six campaign, the Rangers journeyed to Marion and gained their first Conference victory and second straight win. The "Warren and Jones" combination clicked again, with Warren crossing the goal line from the 25-yard strip in the second quarter, and then in the third period Jones plunged over from the ten for the second Benton touchdown.

West Frankfort

The West Frankfort Redbirds came to Benton Thursday, November 23, to end an undefeated season for themselves and close a poor season for the Rangers. In defeating the Rollinsmen, 26-0, the Redbirds copped the South Six Conference honors, and left the Locals holding down fourth place. West Frankfort scored twice on passes from Grotti to Quarrels, and once on a 14-yard sprint by Grotti. Gibbons, Redbird right guard and co-captain, blocked a kick in the opening minutes of play for the other West Frankfort touchdown.

Although the Freshmen lost their only game of the year to Mt. Vernon, 6-0, they showed signs of being a good ball club in the coming seasons. The Frosh turned back everything the Mt. * Conference games.

Mt. Vernon

The Mt. Vernon Rams defeated the Rangers in the opening game of the season by a narrow margin of two points, 35-33. Both teams tallied 14 field goals, but the Rams sank seven free throws against five by the locals, and won out by the two-point edge. John and Ben Corn, twin seniors who came back to Benton this year from Cabery, Illinois, took the scoring honors with seven points each.

West Frankfort

Friday, December 22, the Rangers journeyed to West Frankfort to play their initial game of the season against the Redbirds. The Hodgesmen, then ranked fourth in the state, took the lead in the opening minutes of the game and never relinquished it. The Rollinsmen played one of their poorest games of the season, and lost, 35-19. Ponsetti and John Corn each scored seven points, and Price tallied five for the total pointage.

Harrisburg

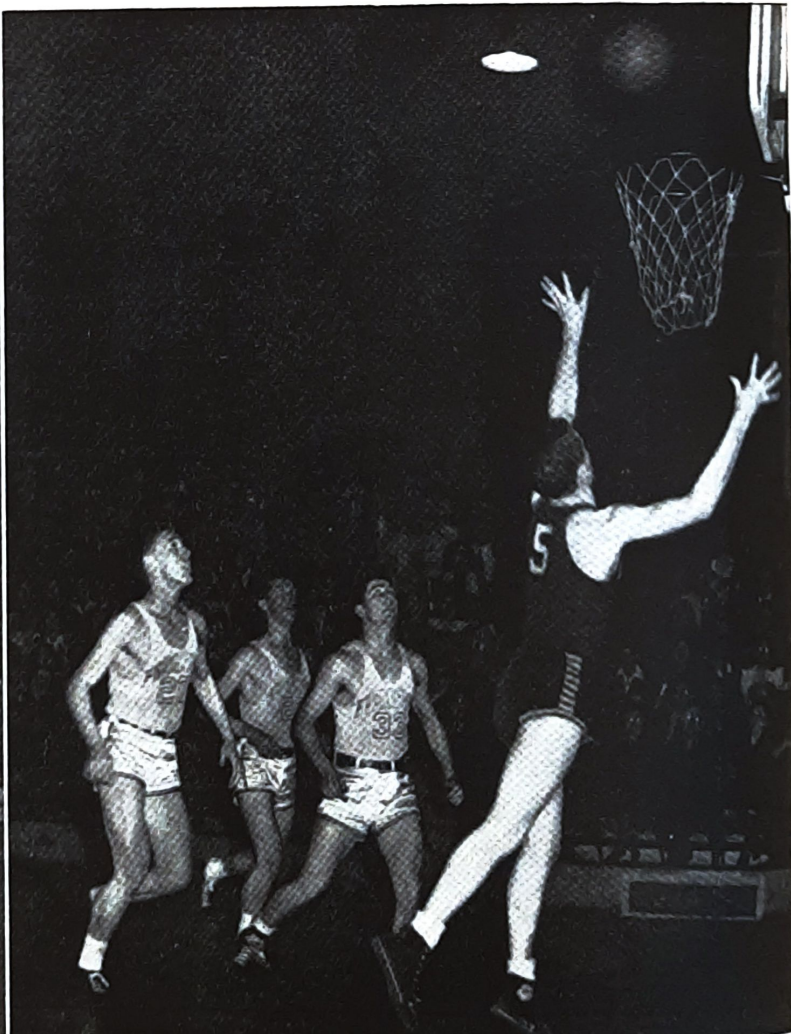

The Rollinsmen stepped up into a tie for second place in the South Six by defeating the Harrisburg Bulldogs, 43-29. The victors took a three-point lead in the middle of the first period, and continued to increase their advantage until Coach Rollins sent in the second five in the last two minutes of play. John Corn, who was acting captain for the Maroon and White, led both teams in scoring with 13 points.

Centralia

Friday, January 5, the Rangers suffered their worst defeat of the season at the hands of the Centralia Orphans, 51-25. The Orphans, ranking fourth from the top in Illinois, scored 25 points in the first three quarters, and would undoubtedly have run up a larger score, but Coach Trout ran in his second five in the last period. Ben Corn scored all of the points for Benton in the first period, and was high point man for the Rangers, with 17 points.

Marion

The Rangers lost their fourth conference game in five starts to Marion, 50-38. The score was fairly close until the final period, but then the Wildcats unleashed a 22-point barrage to win handily from the Rollinsmen, 50-38. Ponsetti was top scorer for the locals with 10 points.

Mt. Vernon

Friday, January 19, the Rangers journeyed to Mt. Vernon to play the second and last game of the season between the two teams. The Rams, after holding the Maroon and White to two points in the third quarter while scoring 13 points themselves, won handily from Benton, 36-23. Price and Ponsetti led the locals with 6 points apiece.

Season's Summary

The Rangers opened practice with only two lettermen back from last year. They were Jack Ponsetti and Bob Warren. Three others, Dale Conner, Gale Conner, and Ralph Cooley, who would have been seniors this year, were taken earlier by Uncle Sam. Then there were John and Ben Corn, two seniors who came back to Benton from Cabery, Illinois. These four, and Ed Towers were the only players who had had previous varsity experience, and the outlook for Benton was not too good. Out of the five mentioned, and Ransome Price, B. Chaplain, R. Hardenbrook, L. Kunsy, R. Keene, and D. Harris, Coach Rollins fashioned a lineup, and the season was under way.

Although they got off to a slow start with two straight losses, the Rangers began to click, and knocked off three wins in a row. The team showed signs of winning form throughout the year, but turned up with only thirteen wins and eleven losses for their scheduled games, and sixteen victories against thirteen defeats for the entire season, taking fifth in the South Six Conference. Besides their loss to Zeigler, they were defeated by only such strong teams as Mt. Vernon, West Frankfort, Centralia, Marion, Salem, and Du Quoin. The Rangers ended up in a blaze of glory with six straight conquests before going down before the Red Birds, 47-30.

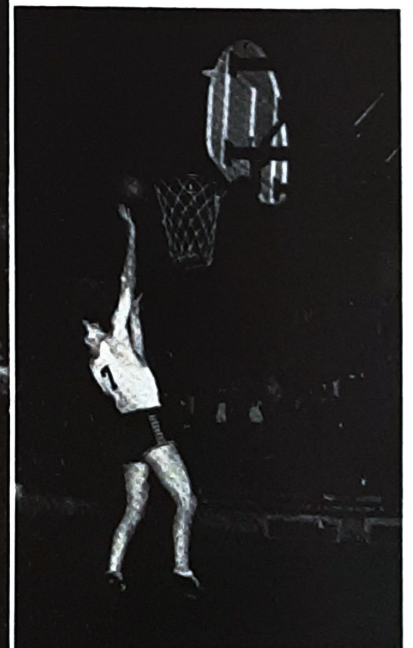

Taking everything into consideration, the fans can say that the team had a fairly good season, and, as only Towers and the Corn twins are graduating this year, they can look forward to the next three years with high hopes of winning combinations.

Marion

The Rangers wound up their 1944-45 conference play with a loss to the Marion Wildcats, 76-47. Running up 53 points in the first half, the Wildcats virtually sewed up second honors in the South Six, and left the local quintet deep in fifth place. Jack Ponsetti was again high for Benton, scoring 14 points before fouling out in the middle of the last quarter.

West Frankfort

Friday, February 2, the Rangers played host to the Redbirds in the third meeting of the two teams. Although the Maroon and White started out in good style, they soon let up, and were defeated by the Hodgesmen, 51-42. The loss kept the locals in fifth place in the Conference race. Ed Towers and John Corn tied for scoring honors with twelve points apiece.

Harrisburg

The Rangers again conquered the Harrisburg quintet on Friday, January 26, but this time by only two points. The locals led all the way, but in the last minute of play the Bulldogs sank two quick field goals and came within two points of tying up the ball game. The Rangers stalled out the few remaining seconds, however, and won out, 36-34. Towers led both teams with 15 points.

Centralia

Friday, February 9, the Centralia Orphans journeyed to Benton to hand the Rangers a humiliating 71-29 loss. This was the last home conference game for the Rangers, and sank them deep into the South Six lower half. Ponsetti was high point man for Benton, scoring 20 points.

Track 1944

Last spring the 1944 Benton track team competed in five meets, and failed to take better than second place in any of them. The Rangers copped two seconds and one fifth at West Frankfort, before the Conference Meet. In the Mineral Meet at Hurst-Bush they placed fifth. The locals took only six points in the Big Five Meet at West Frankfort and captured last place. During the season the Rangers collected a total of 167 points. Some of the high point winners for Benton were Doyne Garrett, Bill Sanders, Kenneth Burkett, Dale Conner, Gale Conner, and Howard Jones.

Dramatics Club Elects New Officers for '44-'45

The Dramatics Club, under the sponsorship of Miss Mary Heinzman, held its first meeting on Tuesday, October 17, 1944. The meeting was held in the Old Gym. At this meeting, the new officers for the school year 1944-45 were elected, and membership was extended to new students who wished to join the club.

The officers who were elected are: Sally Havens, President; Mary Lou Floro, Vice President; Denysia Bastas, Secretary, and Phyllis Daniels, Treasurer.

Girls' Athletic Association Organized

One hundred and twenty-five athletically-minded girls have recently organized a Benton division of the G. A. A., under the direction of Miss Perry.

The group will hold its meetings after school. Freshmen will meet every Monday and Wednesday. Upperclassmen will meet on Tuesdays and Thursdays.

To join the G. A. A., one must first make 100 points of which 50 may be obtained from your physical education. Other points may be

Mazzei, Nangle, Mundell, and Casatta Win Senior Campaign

This year, for the first time in five years, a regular election campaign was held at B. T. H. S. The senior class started it all by sponsoring an actual publicity campaign for its candidates. It was the first time in the history of B. T. H. S. that candidates were run together in "party" form. The two main opposing factions for office in the senior class, Nangle, Mundell, Mazzei, McCann, Bastas, and Casatta, were elected. Of these candidates, Mazzei was elected president. Bruno is a serious young man who likes to be a very leader. Pat Nangle, a red-haired senior, was elected vice president. Logan, was elected secretary. Mundell, who is a senior, was elected treasurer. Casatta, a popular lass with long black hair, was elected treasurer. Nangle, Carlton,

class, a few new to the front. James is a very intelligent, elected president. James is a member of the football team. The Charles Carlton, an B. T. H. S. and a land. Phyllis Herrington, Phyllis is a red-haired junior and Echo Staff. Betty Co-Feature Editor, was elected treasurer.

Zukowski, a Sophomore, is a member of the Ranger football team, but he has already shown his power. As his helper, the juniors elected Ramona Collins for vice president. She is a member of the Echo Staff and is very popular. Leona Zukowski, an industrious, energetic Band member, was elected secretary. Bill DeWitte was elected a second time by his class. Bill is a member of the Band, also. Ruth Shockley, Second Girl President

The Freshmen have done it again! Always breaking traditions. This year, for the second time in the history of B. T. H. S. there is another girl president. The girl this time is Ruth Shockley. Ruth has a good start on creating a name for herself.

NEW TEACHER INITIATION

All new teachers were initiated into Wednesday evening 6:30. The teachers elected were Miss Billington, Miss Perry, and Mrs. Watson.

The evening was a delicious chicken dinner by the Home Ec. Club. The teachers where they paraded several business the local Billiard and Miss Billington of snooker, or a rumor.

Upon returning the teachers being "Meldrammer" with Master of Ceremony as follows:

At the conclusion teachers were given appropriate gift of performance. a pre-war model "honest-to-goodness" was certainly a wonderful "two-way-stretch".

At the close of the initiation, the teachers were cross examined and as a conclusion, gave their oaths.

Home Economics Club Membership Increases

The Home Economics Club held their second meeting of the year Thursday, October 12. It was to discuss plans for the dance after the Benton-Johnston City Game, Friday, October 13.

More students have joined the Home Ec. Club this year than last year. There are about one hundred members.

In the near future, officers of the club will be chosen.

Having both boys' and girls' choruses is just a beginning. Miss Mercer has already organized a Girls' Octette and a Boys' Quartette, while a Mixed Quartette is in the making.

Still more is to come, however. On October 27, after the football game with Centralia, the chorus is planning to sponsor a big "shindig" (known formally as a dance).

A Halloween party will be coming soon, this being for chorus members only, and although the Yuletide is almost three months away, a gala Christmas program is being planned.

With such an active organization as the chorus, B. T. H. S. is sure to succeed as far as singing is concerned.

all sorts hanging from their hair, and blinding color combinations in general. Upon questioning a few of these motly damsels, we found that they were forming a new club. Yes, it's the Triple B Club. The significance of the B's is a "secret." The members of the Triple B Club and their Triple B nicknames are:

Band

This year's Ranger Band was one of the best ever to be at B.T.H.S. Under the capable baton of Mr. Ben Rauch, it has played for all athletic events, Bond Rallies, Political Rallies, and the Christmas Program.

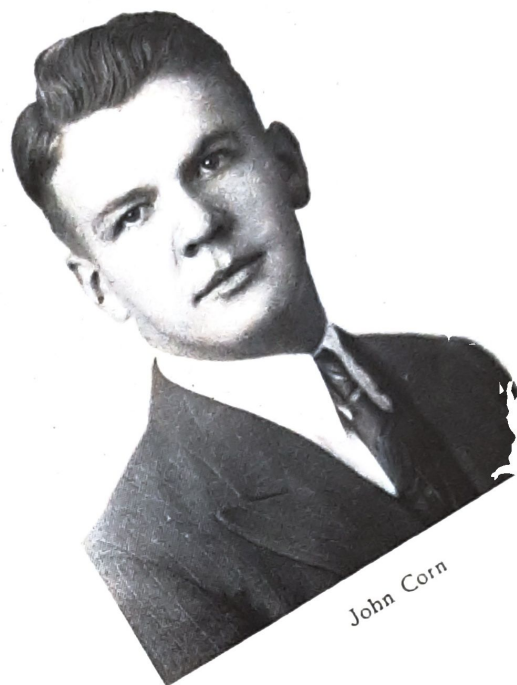

On March 28th, many members of the band placed in the District Music Contest, held in Benton.

The Band completed the year's activities by playing at the Benton-Frankfort Concert, for Memorial Day Services, and various other occasions.

All this year the Band has been hard working, and pulling hard, for new uniforms, which will become a reality before long.

Homecoming Beauties

Standing—Senior Attendants, Virginia Smith, and Betty Keller; enthroned, Queen Mary Lou Floro. *Seated*—Underclassmen attendants, Jo Ann Choisser, Dorris Burket, Jo Ann Lemmons, Jeanne Smith, Ruth Shockley, and Sue Mitchell.

"Who will be queen?" "Who are you taking?" Such are the questions leading up to the Homecoming Prom.

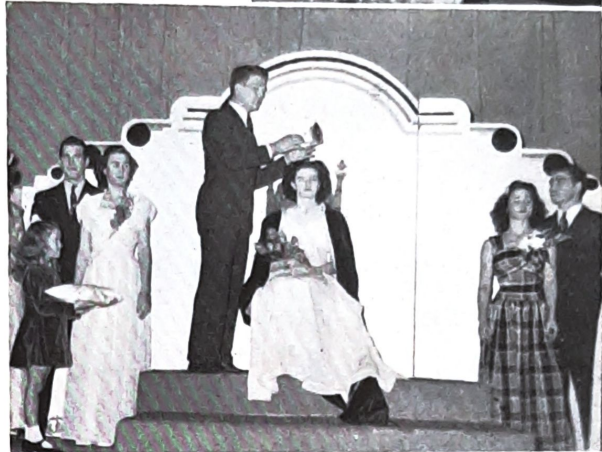

Alumni and students danced to the music of the "Eight Balls" in the old Gym, which had been decorated by the class officers and members of the Senior Class.

The climax of the Prom came when the crown was removed from Ex-Queen Gladys Ruth Taylor's head by Ex-Captain Bill Cosgrove. The spotlight followed them to the door and ushered in the attendants. Then, finally—Hail the Queen! Ah's and oh's filled the gym as the queen, Mary Lou Floro, and Co-Captain Corn proceeded to the throne. She was then crowned by Co-Captain Corn, after which she retired, followed by her lovely maids and their escorts.

The Junior-Senior Reception 1944

Last spring, May 6, the Juniors entertained the Seniors at the annual reception. The gym was transformed marvelously into a canteen under the supervision of Miss Kirsch and Mr. Johnson, the class sponsors. The color scheme was in the shape of two large flags.

Jack Staulcup furnished the music. A short program was presented. Those taking part were Jim Allen, Bill Walker, and Lloyd Doerr, who presented a short musical skit; Jerome Webb, who sang a number of popular pieces; and a group of Junior girls who also entertained with a few songs. Punch and cake, prepared by the Home Ec Club under the supervision of Miss Ellis, were enjoyed by all.

"Buckle Down"

Time Passes

Each year seems shorter than the last.
The days and weeks just flicker past,
As winter, summer, spring, and fall
Go streaking 'round the rolling ball.

September

- 5—School has started at last. But the Freshmen weren't here today when we were. Oh—just let us at 'em.
- 6—Well, we got a good look at the Freshmen today. What a class! Need we say more?
- 8—Friday at last! School's out for two more days. Freshmen are still doing dumb things. Ignorance is bliss.
- 11—I do believe these Freshmen think the Upperclassmen are bullies. Where did they ever get that idea? Scarab staff gets under way with its first meeting.
- 15—First pep session of year. Reason—game with Carmi tonight. Score: Benton 0, Carmi 6. It's good luck to lose the first game. A ten-cent dance afterwards, sponsored by *Echo*.
- 22—*Echo* came out today. Freshmen were seen standing around in halls with open mouths over it. Pep session for Christopher game. Won 12-0. Said it was good luck to lose the first game.
- 29—We had a program in assembly today. It took the place of a lyceum. Game with Marion. Rangers came through again for 13-0 victory.

October

- 3—Freshmen, Sophomores, and Juniors have their pictures taken for *Scarab*. Some bright Freshman told Mr. Machiels that he wanted a small picture. Mr. Machiels told him he would have to close his mouth. Is there a lawyer in the house?
- 4—Girls are running all over the place dressed in half green and half red. Seems to be an initiation of B.B.B. Club. Petitions for class officers are due today.
- 5—*Echo* came out today instead of Friday. Our farmers got together for the first time in the year at their F.F.A. meeting.
- 6—Election for class officers postponed. Seniors are waging a big campaign. Seen all over the halls: McCann vs. Mazzei. We played Du Quoin here and lost by six points. Dance afterwards was sponsored by Hi-Tri.
- 9—First lyceum today. Very informative—all about natives of South Pacific. Class elections postponed again. Printing press is broken—no ballots.
- 10—Class elections finally held. Mazzei,

Bailey, Chaplain, and Shockley head classes. Hi-Y holds its first meeting tonight.

- 11—Teachers' initiation held. Faculty was entertained royally with a chicken dinner and "melodramer"—including the drunken father, Miss Perry; heroine, Miss Mercer; villain, Mrs. Watson; and the hero, Miss Billington.
- 12—Lots of activity today—G.A.A. went on a hike and the Home Ec girls had a meeting.
- 13—Miss Mercer's chorus made its debut in assembly during the pep session before the Johnston City game. Singing very good. Score 6-0 again, but we WON this time!
- 16—Oh—grade cards came out today.
- 17—Dramatics Club elected officers. Results—Havens, Floro, Bastas, Daniels.
- 20—Another *Echo* is out. We lost a game to Salem there by 25-0. Aw, come on, Rangers!
- 25—The Sophomores had a big "un" at a picnic. And from what we hear, it was a "big un."
- 26—Seniors had a picnic tonight. That seems to be the rage. But the question is—what happened to the chaperones?
- 27—Whee! no school. Teachers' meeting. We played Centralia. That's right, you're right! We lost 12-0.
- 30—Our senior rings are here—at last! Chorus had a Hallowe'en party. They didn't dress (in costumes).
- 31—Home Ec Club elected new officers—Towers, Scarborough, Piccentini, Rice.

November

- 6—*Echo* came out today instead of Friday. Or is it supposed to come out Friday?
- 7—Hi-Y actually got around to having another meeting. We had a lyceum. Entertained by Bach, Chopin, and Debussy on the piano and harpsichord.
- 9—The G.A.A. became more organized but not more athletic today.
- 11—Armistice Day! but what a time to celebrate in the midst of one that is twice as large. We played Harrisburg and came out losers 33-7.
- 18—The chorus attended a clinic at Carbon-dale. Members of *Echo* went to Pinckneyville to a press conference.
- 20—Had a lyceum about Lincoln's life. Lions and Rotarians met again in their fierce annual game.

CALENDAR

- 22—*Echo* came out today. School turned out for a pep rally at the Capitol Theater for the annual Frankfort game.
- 23—Eat, eat, eat. Yell, yell, yell—and what does it get us? We lost 26-0 and had a bad case of indigestion. Everyone had a swell time tonight dancing to the strains of the "Eight Balls." Mary Lou Floro was crowned Queen by King Corn.

December

- 1—Freshmen had their first party.
- 5—Christmas parties have started. The Home Ec had theirs today.
- 8—*Echo* came out. Opened our basketball season by playing Mt. Vernon here tonight and lost, but we put up a good fight.
- 9—Here it comes again. We lost tonight. Do you think the Rangers will ever wake up? I hope, I hope, I hope.
- 11—Did you smell that luscious odor in the upper hall this morning? Mr. Armentrout informed us that his egg plants had over-ripened. I bet Mrs. A. wanted those two weeks ago.
- 12—Played Salem there tonight, and, don't faint, we WON 41-31!
- 14—Band gave a concert with the chorus. Very enjoyable.
- 15—School's out early this year. Played Harrisburg here tonight and won—imagine that—two straight games. Score: 43-29.
- 16—Played Johnston City and won again in an exciting overtime 49-47. I guess we're getting pretty good.
- 22—Oh, oh, here it comes. We played West Frankfort on that stinking floor of theirs and lost.
- 25—Merry Christmas!
- 27—Centralia Holiday Tourney started today. We won our game. Play West Frankfort tomorrow. Let's pray.
- 28—Well, they beat us. Just wait till the spring tourney!
- 29—Centralia beat West Frankfort in the finals today. Remind us to congratulate Centralia.
- 4—The drips gave their "Paul Lost the Ration Books" in assembly. There were a group of alumni who are in the service there, too. We played Centralia there and lost 51-24.
- 6—Worked on *Scarab* all day, even if it is Saturday. We played Johnston City here and walked off with the bacon, 43-39. It wasn't a black market either. It was all legal.
- 8—Snowed, nice and slick all over outside.
- 9—Richard Webb came to school with a splinter under his finger. Guess he had been scratching his head.
- 11—*Echo* has a supper in Home Ec room, but we broke it up early.
- 12—Nuts! The curse is on us again. We lost to Marion here by 50-38. Chorus sponsored a dance afterwards. Another of those ten-cent (or is it fifteen) 'uns.
- 13—Ha-ha. We won from Christopher 31-10. Guess we're back on the beam.
- 15—Indigo Monday. No assembly, no nothing!
- 17—Took pictures of *Scarab* royalty tonight. Bet you wish you knew who they are!
- 18—Yep, we're back on the beam. Beat Zeigler 42-26 here.
- 19—Ugh—bragged too soon. Mt. Vernon took us tonight there.
- 20—*Echo* dance. The boys got "took." "Beegie" McCollum is new *Echo* editor. Phyllis Herr is business manager.
- 22—Stayed home and crammed with 140 other Seniors for Problems six-weeks exam.
- 23—Another game with Salem, but we lost this time 46-55.
- 25—Those lucky kids who are exempt from semesters got out at noon today! But the others—
- 26—Blank. Just like our minds this morning. Won a game from Harrisburg, but barely, 36-34.
- 27—Won another game—McLeansboro, 57-47.
- 29—Cold as the north pole here today, and to top it off—Report Cards. I deciphered mine for my dad. Told him the D's were for dandy, and the C's were for corking. Can't say I didn't try.

January

- 1—Feeling like the morning after the night before. But Happy New Year anyway!
- 2—Furnace is on the blink. No school.
- 3—It couldn't last. School started today. Had an *Echo* meeting to plan for the last issue to be put out by this staff.
- 4—Miss Tasker dictated in Spanish class. She asked me what I was doing in the back of the room—learning anything? So I said, "No, just listening to you." Is there an extra seat in the office?

February

- 2—We lost to W. F. again, 51-42 this time. Sophomores sponsored a dance after game.
- 3—Darn it! Lost again to DuQuoin 50-37. What has come over the Rangers?
- 7—Spanish Club elected officers—Crawford, Richardson, Beattie, and R. Webb. Hi-Tri drew names for Heart-Sister Week.
- 8—Got a note from my Heart-Sister: Roses are red, violets are blue, pickles are sour, but they've got nothing on you.

BEHIND THE SCENES

The glamour of huge industrial plants, intricate machinery, and mass production methods is the usual mental picture of American Industry. And a true picture of much manufacturing . . . but not so with photo engraving.

Machinery? Certainly! Precision equipment, but not mass production. Glamorous? Yes! Skilled hands and chemical processes and always intriguing.

Your year book is the result of many procedures . . . photography, copy writing, art, engraving, printing and binding, plus salesmanship, accounting, etc.

The graphic arts industry has many branches and many opportunities. You might consider the possibilities of your future in this highly interesting business.
